Dear Habtamu Molla Tikuye,

The Swedish Institute is pleased to inform that you have been awarded a scholarship within the Swedish Institute Study Scholarships – Category I for studies at the Master Programme in Economics at University of Gothenburg.

Scholarship period: 2014-08-15 – 2015-06-15

If your master programme lasts longer than two semesters, you may be granted an extension of the scholarship for the following semesters until the end of your study programme, provided that your study performance is satisfactory and that government funding is made available to the Swedish Institute (SI). The decision about an extension will be made in March/April 2015, after an assessment of your study progress so far. The scholarship amounts to SEK 9,000 per month and one travel grant of SEK 15,000 for a round trip to Sweden. SI will pay the tuition fee directly to your university.

The scholarship offer is valid under the condition that you complete, sign and return the enclosed "Acceptance of Scholarship" form by e-mail to si@si.se not later than 30 April, 2014.

The Swedish Institute provides all scholarship holders with the Swedish State Group Insurance and Personal Insurance (GIF) through Kammarkollegiet (Swedish Legal, Financial and Administrative Services Agency). The terms of the insurance are different depending on your citizenship.

Swedish Institute scholarships are governed by the conditions stated in the enclosed "Scholarship Regulations" document. By accepting the scholarship, you agree to abide by these regulations and also agree that you will continue to meet the conditions for receiving the scholarship throughout the duration of the study programme.

We wish you a warm welcome to Sweden!

Yours sincerely,

Kurt Bratteby
Director, Dept. of International Relations
