Organizers of the Arizona Project:

Language of Liberty Institute

Freedom and Entrepreneurship Foundation

Arizona State University (ASU)

Dear all,

I am writing this recommendation letter to express my support for **Jorge Andrés Galicia Rodríguez** in his application for the *Project Arizona*, organized by the *Language of Liberty Institute*, the *Freedom and Entrepreneurship Foundation* and the *Arizona State University (ASU)*. I have worked and shared with Jorge at *Vente Venezuela* for the last five (5) years.

I have enjoyed working with Jorge and I am happy to be able to provide this recommendation. I have great respect for him as an individual and as a professional and I am confident that he is deserving of this opportunity. He has demonstrated an important commitment to the organization, to its values and to the principles we defend, all related to freedom. He has been trained in these ideas and has been a promoter and defender of freedom in all areas.

In addition to having firsthand knowledge of Jorge's work ethic and abilities, I am also familiar with his education and career goals, and know just how much receiving this opportunity means to him. The *Project Arizona* will provide important support that will allow him to obtain the additional education necessary to complete his studies.

I am confident that you will be just as glad with Jorge as I am, and I ask you to consider him for this opportunity. Please feel free to contact me if I can provide any additional information. You may reach me at formacion@ventevenezuela.com.
